Career Objective

As a passionate and driven software student, my career objective is to leverage my technical skills and knowledge to contribute to a dynamic and innovative software development team. I aim to gain valuable hands-on experience while actively participating in challenging projects that push the boundaries of technology. With a strong foundation in programming languages and problem-solving, I aspire to continuously learn and grow in order to deliver high-quality software solutions that meet user needs and exceed expectations.

Skill Highlights

- Java
- SQL
- Python
- Machine Learning Algorithms
- Data Analysis
- HTML
- CSS
- JavaScript
- Communication skills
- Teamwork Skills

Education

Bachelors In Computer Application

Babu Banarasi Das University, Lucknow

2021-2024

Certificates

- **IBM Skill Builds Certificate**
Introduction to Data Concepts
- **DevTown Certificate**
Machine Learning
